Since 1911, the City Rescue Mission has partnered with the local church to offer hope and help to the needy in Lawrence, Mercer, Beaver, and Butler counties. Whatever ministry people come to for help, they find a staff who cares about their individual hurts, concerns, circumstances and goals. It is a staff

of caring men and women who listen, advise, accept, encourage and offer Hope through a personal relationship with Jesus Christ.

Covenant House - *a safe temporary harbor for homeless women and families, where they can heal, think, pray, plan and act.* They arrive - because of eviction, job loss, fire, utility problems, etc. - vulnerable, not knowing what to expect. They find shelter, food, personal care items, spiritual nourishment and help getting reestablished in the community.

Family Care Ministry - *emergency food and other assistance for families* living paycheck to paycheck, the unemployed and underemployed, as well as those trying to survive fires, natural disasters, health problems and other difficult times.

Youth Program - *a structured program with a myriad of educational, recreational and spiritual activities for school age children and youth, in a bright, cheerful, fun and safe environment.* Why? Because our streets aren't safe for children, and sometimes life situations aren't any better - there's no one to turn to or there's abuse or there are people using or selling drugs. Kids need to be allowed to be kids - responsible kids.

True Life Men's Ministries - *offers a Christ-centered, 12-step, residential recovery program* for men who want to change their lives. There is also a short-stay Crossroads program to help homeless and unemployed men get re-established in the community. In our dining room, we serve a meal each day for anyone in the community who has need of it.

Covenant Cottage - *offering temporary, emergency shelter to homeless men with children* a growing segment of the homeless population.
